2020 Undergraduate Research Technology Conference

Massachusetts Institute of Technology (MIT) | Cambridge, MA, USA
October 9-11, 2020

- Undergraduate students from across the globe present, discuss, and develop solutions advancing technology
- Conference includes renowned speakers, technical sessions, a student-design competition, exhibits, networking, and social activities
- Interact with leading industry experts
- Our 2017 conference had 267 attendees, including several internationals and students from across the US, with a technical paper acceptance rate of 38%.
